

Attention TKC Members!

We are planning to have our annual eye clinic; formerly called CERF clinic, now known as CAER Clinic (Companion Animal Eye Registry) with Dr. Bromberg

Sunday, August 30th
at the TKC Training Center in Ridgely.

Appointments will be available from 8:30 AM until 3:00 PM

IMPORTANT; PLEASE NOTE!

Those participating in the clinic will be required to follow CDC guidelines including: social distancing and wearing masks at all times when in the building. Participants will also be required to keep their dogs in their vehicles and administer their dog's eye drops before testing. You will be asked to wait in your vehicle until called in to see Dr. Bromberg.

Please bring your own pen and something to write on when filling out the forms to register for the clinic.

Microchips will be checked as you come into the building.

The cost is \$45 per dog. The method of payment should be by check made payable to Dr. Nancy Bromberg, DACVO.

To schedule an appointment, please contact Joann Beavers at 410-745-5796, or elflane@goeaston.net.
