

Directions for Sponsoring a Trophy

Hello TKC Members and Interim Members,

Attached is the PDF that shows the trophies, pictures of the trophies, and suggested donation costs, and a list of available breed prizes. If you would like to sponsor individual breed prizes, you may choose from the list of available breed prizes on the PDF or supply your own. If supplying your own, please give me a description of the item and your pertinent information (for example - your name, in memory of, kennel name etc.).

Because we are not yet able to have an in-person meeting for sign-ups, we will have to conduct the sponsorships electronically. This is how it will work:

1. Look at the attachment and decide what you'd like to sponsor. The PDF begins with the group prizes and the available breed specific trophies. If you continue to scroll down, you'll see the pictures of the trophies and the suggested donation amounts.
2. Email me with just your commitment and your information, so that I can include all of your pertinent information for the catalog (for example - your first and last name, in memory of, kennel name etc.). I will enter your information into the PDF.

Nancy_Roberts@verizon.net

3. Weekly, the PDF will be resent to show what is still available.
4. At a later date, I will send out an electronic reminder for payment. At that point, please send me a check, made out to the Talbot Kennel Club, for the amount you have committed to.

**Nancy Roberts
28021 Waverly Road
Easton, MD. 21601**

Thank you in advance for your sponsorships! This information must be completed and given to MBF by the beginning of May, so please don't delay.

Many thanks,

Nancy (Trophy Chair)
